Title: Working with 3rd Parties on Major Response Actions

During the early response efforts of the Flint Drinking Water emergency, EPA and its government partners were confronted with environmental data from a number of outside / 3rd party organizations. EPA and one of the outside organizations, Water Defense, will share their perspectives on the Flint response and what lessons learned came out of this unique situation.

Time needed: 45 minutes

Presenters: Mark Durno, EPA & Scott Smith, Water Defense
